The Academy is providing an opportunity for AAP members to review and comment on resolutions that will be presented at the 2016 Annual Leadership Forum (ALF) March 10-13 in Schaumburg, Ill.

On Feb. 10, *AAP News* will post an article on www.aapublications.org with a link to the resolved clauses of the resolutions with an opportunity to comment on any resolution of interest. Feedback on resolutions will allow leaders of AAP chapters, committees, councils and sections attending the ALF to gain perspective in the discussion and debate of leading pediatric issues.

For more information, email Hope Hurley, in the AAP Division of Chapter and District Relations, at hhurley@aap.org.
