

The new section recruitment pages are the latest enhancement in the multiyear Digital Transformation Initiative (DTI). DTI aims to *simplify* your experience, *personalize* content offerings and *connect* members of the AAP community. The AAP launched the DTI as part of the Five-Year Strategic Plan to enhance communication with members and stakeholders.

Comments on the DTI are encouraged. Click the Provide Feedback tab on the right side of the new section recruitment page.

Explore all of the section pages at <https://services.aap.org/en/community/aap-sections/>.
