Remind families who own dressers, shelves and other tall furniture to “Anchor It” to the wall. Posters and tip cards in English and Spanish from the Consumer Product Safety Commission’s (CPSC’s) Anchor It website, [www.anchorit.gov](http://www.anchorit.gov), give a pictorial example of how to attach furniture anchors.

Printed copies can be ordered by emailing [kdulic@cpsc.gov](mailto:kdulic@cpsc.gov) (limit: 100 tip cards and 25 posters per order).
