September 24, 2020

Article type: [AAP National Conference & Exhibition](#)

Topics: [Advocacy](#), [Diversity, equity and inclusion](#)

This year's Pediatrics for the 21st Century (Peds 21) program at the AAP National Conference will focus on equipping pediatricians to advance child health equity by applying an anti-racist lens to the systems shaping health and medicine. "Fighting Racism to Advance Child Health Equity: A Call to Action," will take place from noon to 3 p.m. CDT on Saturday, Oct. 3.
