CME/MOC INFORMATION

2022 *AAP Grand Rounds* subscribers may claim a maximum of 18 *AMA PRA Category 1 Credit(s)*TM upon completion of all the quiz questions over the course of their annual subscription. On a monthly basis, members may claim a maximum of 1.5 *AMA PRA Category 1 Credit(s)*TM.

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this enduring material for a maximum of 18.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 18.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*TM from organizations accredited by ACCME. Physician assistants may receive a maximum of 18.0 hours of Category 1 credit for completing this program.

This program is accredited for 18.0 NAPNAP CE contact hours of which 0 contain pharmacology (Rx), (0 related to psychopharmacology) (0 related to controlled substances), content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

This activity is approved for 18.0 MOC Part 2 points by the American Board of Pediatrics through the AAP MOC Portfolio Program. All points will be awarded (or must be claimed) based on the MOC activity completion date, which is the date MOC requirements were met. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP Portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org.

If you do not successfully complete all components of the activity and evaluation assessment ABP MOC Part 2 Points will not be awarded. Learners must complete a minimum of 5 quizzes from the 2022 issues, with a minimum passing score of 70% on each, to earn 18 MOC Part 2 points.
