Print Issue Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

Each of the editorial board members, reviewers, question writers, PREP Coordinating Committee members and staff has disclosed, if applicable, that the CME content he/she edits/writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers. None of the editors, board members, reviewers, question writers, PREP Coordinating Committee members, or staff has any relevant financial relationships to disclose, unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

CME Statements:

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a maximum of 36 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 36 AAP credits. These credits can be applied toward the AAP CME/CPD* Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credits*™ from organizations accredited by the ACCME.

This program is approved for 36 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

*Continuing Professional Development

How to complete this activity

Pediatrics in Review can be accessed and reviewed in print or online at <http://pedsinreview.aapublications.org>. Learners can claim credit monthly online or submit their scannable answer sheet for credit upon completion of the 12-month activity. A CME scannable answer sheet for recording your quiz answers can be found bound in the January 2011 issue. The deadline for submitting the 2011 answer sheet for this activity is December 31, 2013. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 3 hours to complete each issue. This activity is not considered to have been completed until the learner documents participation in that activity to the provider via online submission of answers or submission of the answer sheet. Course evaluations will be requested online and in print.
